

- Verse 1

You called me out of the darkness
You call me into the light
You're calling me
You're calling me to heaven
You called me out of depression
You call me to greater joy
You're calling me
You're calling me to freedom

- Chorus

I will celebrate and sing unto the Lord
For I am called to joy
Nothing can separate me from the Father's love
My everlasting joy

- Chorus

- Verse 2

More than just a melody
You've become my song
You're calling me
You're calling me to heaven
And when I'm weak
Lord You are strong
You're calling me
You're calling me to freedom freedom

- Chorus

- Bridge

This joy does not depend
On my own earthly circumstance
So I will sing your praises
And choose the joy of Your salvation
This joy does not depend
On my own earthly circumstance
So I will sing your praises
I choose the joy of Your salvation
This joy does not depend
On my own earthly circumstance
So I will sing your praises
And choose the joy of Your salvation

- Chorus
