

- Verse 1

Could you imagine what it was like
To have played a part of that night
When the world stirred at the arrival
Of Heaven's King as an unassuming child

- Pre-Chorus

And it's true this good news
That love came down
Love came down

- Chorus

Glory Glory
Glor-ia in the highest
Glory Glory
Gloria in the highest

- Verse 2

What a sight to have seen
The angels choir in His glory
And to hear them say be not afraid
there is born to you a Savior on this day

- Verse 3

And as a sign you'll find Him there
In swaddling clothes and in a manger
Glory to God in the highest
Peace on Earth and goodwill towards men
Glory to God in the highest
Peace on Earth and goodwill towards men

- Pre-Chorus

- Chorus

- Bridge

All people and tribes of every tongue
Come and see what our Father has done
How He would give His only Son
Our blessed assurance born as a light
With His first breath Hope came alive
Redemption had dawned in Jesus Christ
All people and tribes of every tongue
Come and see what our Father has done
How He would give His only Son
Our blessed assurance born as a light
With His first breath Hope came alive
From that moment on creation could cry
God with us

- Chorus x2
