

- Verse 1

You have called us to greater things
And to live with expectancy
That Your church
Will soon see Your Kingdom come
We fix our eyes on eternity
And rise above all the vanities
Oh Jesus Christ
You are the One that we want

- Pre-Chorus

So we offer up our praise
And we lift up Your holy name

- Chorus

We exalt Thee; We exalt Thee;
We exalt Thee: Oh Lord
We exalt Thee; We exalt Thee;
We exalt Thee; You are the One that we want

- Verse 2

Over the grave You have victory
Sin and death now have lost their sting
No longer I
But Christ who's alive in me
We fix our eyes on eternity
And rise above all the vanities
Oh Jesus Christ
You are the One that we want

- Pre-chorus

- Chorus

You are the One that we want
You are the One that we want
You are the One that we want

- Bridge

We lift you up we lift you up
Over everything
We lift you up we lift you up
Over everything we lift Your name
We lift you up we lift you up
Over everything we lift Your name
We lift you up
You are the One that we want
